

**CCTSI Community Engagement & Health Equity
and ACCORDS Education Presents:**

Community Engagement Forum Community Showcase

Join community and academic/research partners to network and discuss opportunities for partnership based on mutual research interests or learning opportunities.

The forum will begin with a presentation from campus leaders focused on successful community-based participatory research.

The in-person event will continue with the opportunity to walk around and engage with various community groups. Showcase partners will share work from their past collaborations and many will have opportunities for potential future work and/or partnership.

Come to the showcase to talk about your work of interest in Community Engagement and/or research.
